REGOLAMENTO REACH (EC) No 1907/2006 - REACH REGULATION (EC) No 1907/2006

Gentile Cliente,

Con la presente La informiamo che ai sensi dell'art. 3 del Regolamento REACH, RCN Srl si identifica come produttore e fornitore di articoli, nonché come utilizzatore a valle.

Al fine di ottemperare responsabilmente agli obblighi REACH, RCN Srl ha adottato una gestione proattiva della conformità basata sulle informazioni trasmesse dai fornitori secondo quanto previsto dall'art. 33 del Reg. REACH, rafforzata dalla costante valutazione dei materiali e componenti utilizzati.

In accordo alle disposizioni dell'art. 33 (1) del Regolamento REACH, le informazioni ad oggi disponibili sono riportate in Allegato I. La presente dichiarazione si intende riferita all'elenco delle sostanze estremamente preoccupanti candidate all'autorizzazione aggiornata alla data attuale (<https://echa.europa.eu/it/candidate-list-table>).

--

Dear Customer,

We would like to inform you that in accordance with art. 3 REACH, RCN Srl is defined as producer and supplier of articles as well as downstream user.

In order to comply with REACH obligations, RCN Srl has established an internal procedure based on information transmitted by our EU suppliers under art. 33 REACH, strengthened by a continuous assessment of the materials, parts or sub-assemblies purchased.

The currently available information are listed in Annex I, in accordance with art. 33 REACH. This declaration is referred to the Candidate List of substances of very high concern for Authorisation as updated to date (<https://echa.europa.eu/en/candidate-list-table>).

Per ulteriori informazioni, La preghiamo di contattare il nostro Referente REACH:

For any further information, please contact our REACH Contact Person:
